SUBJECT: Request for Advance of Salary
FROM: [REDACTED] 25X1A

25X1A

1. I hereby request a personal advance of \$4,000 in order that I may be able to purchase equipment, furniture, clothing, stores and other supplies that I will need during the next two years at my post of assignment in the field. This request is made in order that I may avoid the necessity of furnishing detailed information concerning my employment to my bank, [REDACTED] and to avoid a protracted correspondence with them during the period of repayment. I do not have collateral for this loan.

2. As very few goods can be purchased on this post, it will be necessary for me to obtain now an adequate supply of stores and clothing here. I estimate that my expenditures will be approximately as follows:

| | |
|---------------------|---------------|
| Furniture..... | \$2500 |
| Clothing..... | 500 |
| Food stores & | |
| misc. supplies..... | 1000 |
| | \$4000 |

3. As I shall be leaving for my post soon after the first of May 1947, I shall need to use this money within the months of March and April and wish to receive it in the form of a check payable to me.

4. If this advance is made I wish to make repayment in the form of salary deductions of \$250.00 per 4-weeks pay period, commencing after 1 July 1947, which date will enable me to become established at my post.

I recommend that this advance be made since a personal loan of this nature from a commercial bank might seriously jeopardize operations of CIG
